PROFILE

Entry-level AI Analyst / AI Support professional with a background in Artificial Intelligence. Hands-on experience testing AI tools, analyzing AI outputs, and supporting AI-driven workflows. Strong understanding of AI behavior, use cases, and limitations, with a focus on evaluation, documentation, and insight generation rather than model development or coding. Seeking an AI analyst or AI support role to contribute to AI-enabled teams and grow in applied AI environments.

EDUCATION

2021 — 2025 Bachelor of Engineering (B.E) in Computer Science & Engineering (AI)

Sathyabama Institute of Science and Technology, Chennai

Final CGPA: 7.4

2019 — 2021 Intermediate (MPC), Narayana Junior College, Hyderabad

Secured: 70.8%

2018 — 2019 SSC, City High School, Suryapet

GPA: 9.2

TECHNICAL SKILLS

AI Analysis & Support: AI tool testing, AI output analysis, prompt structuring, AI use-case evaluation

AI Tools: ChatGPT and generative AI tools, AI dashboards and interfaces

Data & Reporting: Microsoft Excel (Intermediate), data interpretation, reporting

Tools: Google Sheets, PowerPoint, SQL (Beginner – learning)

NON-TECHNICAL SKILLS

Analytical Thinking, Problem Solving, Communication, Attention to Detail, Adaptability

INTERNSHIP EXPERIENCE

Jan 2024 — Apr 2024 Machine Learning Intern, Cognibot (Remote)

- Assisted in reviewing AI/ML outputs and documenting observations
- Supported data preparation and basic result interpretation
- Learned how AI systems behave in real-world datasets

Jun 2023 — Aug 2023 AI Intern, Corizo (Hybrid)

- Studied AI concepts and assisted in basic data analysis tasks
- Supported visualization and reporting activities

PROJECTS

AI Tool Testing & Evaluation

- Tested and compared multiple AI tools for accuracy, relevance, and limitations

Google Search Query Analysis

- Analyzed search trend data and summarized insights using spreadsheets and AI tools

CERTIFICATION COURSES

Machine Learning Internship – Cognibot (2024)

Artificial Intelligence Internship – Corizo (2023)

Oracle Cloud Infrastructure 2023 Certified Foundations Associate

LANGUAGES

Telugu – Native

English – Highly Proficient
